The Danish National Commission for UNESCO, Save the Children, Disabled People's Organisations Denmark (DPOD) and the Danish Education Coalition under Global Focus, cordially invites you to the virtual launch of the 2020 Global Education Monitoring Report (GEM Report): Inclusion and Education: All means all.

The 2020 GEM Report assesses progress towards the Sustainable Development Goal 4 (SDG 4) on education and its ten targets, as well as other related education targets on the SDG agenda.

The report also addresses inclusion in education, drawing attention to all those excluded from education because of background or ability.

The report is motivated by the explicit reference to inclusion in the 2015 Incheon Declaration and the call to *ensure an inclusive and equitable quality education* in the wording of SDG 4, the global goal for education.
